

South Dakota FY2017 AmeriCorps Grant Awards

Corporation for National and Community Service

Below is the FY2017 AmeriCorps grant funding breakdown for South Dakota. Currently South Dakota does not have a Governor-appointed State Service Commission, so it is ineligible to participate in the AmeriCorps State Competitive grant competition. In the absence of a State Commission, single-state applicants are reviewed by CNCS and if approved, use funds from the South Dakota formula allocation. South Dakota AmeriCorps members will also receive post-service Segal AmeriCorps Education Awards to help pay for post-secondary education or pay down student loans. These funding streams all factor into the total award received, shown here:

Funding Type	Amount
Grant Award	\$293,832
Education Awards	\$439,033
Total CNCS Funding Awarded to South Dakota	\$732,865

In addition to the federal funding from CNCS, these AmeriCorps grantees will leverage an additional **\$2,467,477** in matching support and other resources. Together, they will engage a total of **84** AmeriCorps members in national service.

The following table outlines the successful AmeriCorps grantees in South Dakota. Details include the name and location of the program, funding amounts, and number of AmeriCorps members serving.

Code*	Type**	Grantee Name	Program Name	City	Funding	Ed. Award	Members
C	Single	Red Cloud Indian School, Inc.	Red Cloud Indian School Teca Oyate Waonspekiya	Pine Ridge	\$249,832	\$119,208	29
C	Single	Teach For America	Teach For America – South Dakota	Mission	\$44,000	\$319,825	55
TOTAL					\$293,832	\$439,033	84
